

A rover with no common sense

Foundation student investigation

Help Pip reach camp. Put the arrows in order, then try one at a time.

My guess

Point, draw or tell a grown-up what you think will happen.

Draw here

What we tried

Draw the arrows, objects or clues we changed.

Draw here

What I noticed

Show what happened. Tell your partner what surprised you.

Draw here

A grown-up can write my words. My first guess does not need to be right.

Use fictional data. Download your project before changing devices. On shared devices, turn remembering off and clear your work when finished.
